Hi, Chris.

Thanks again for agreeing to provide a project briefing for us. This will be a huge help for me.

I wrote up a list of questions that came to mind as I was reviewing the draft Optimization Report. This is attached. There are no changes from the version I sent to you last week. I just wanted to make sure that Daniel, Kristen, and Bill all got a chance to see it before we get on the phone tomorrow.

Best,

Helen
